### **MCC Manitoba**

The people of Haiti need our help. On Saturday, August 14th, a 7.2 magnitude earthquake hit the country, killing at least 1,300 people and injuring thousands more. Early reports show that many of those who survived lost their homes. Thousands are sleeping outside, with little food and no protection from the elements. <https://donate.mcccanada.ca/cause/haiti-earthquake>.

### **Mennonite Disaster Service (MDS)**

The August edition of “On the Level” is now available from MDS. In our current issue: MDS volunteers help to renovate and upgrade a 100-year-old office building recently purchased by MCC, bridges are constructed in collaboration with Engineers in Action and MDS, and MDS actively monitors the wildfire situation in the western and central U.S. and British Columbia.
